ABOUT THE INSTITUTE

CBIT is a college of repute in the state of AP, which ranks 1st in the state and 16th in the country in the category of the self financed Engineering colleges. It was started in the year 1979, by Chaitanya Bharathi Educational Society, with the motto of providing quality technical education. It is accredited thrice (1998, 2004, 2008) by the NBA of AICTE. CBIT is the first ISO certified technical institute in the state of AP. The college offers 9 UG and 7 PG courses. The college is located in a serene atmosphere at Gandipet, Hyderabad. The total built up area is about 4.5 lakh Sq.ft., spread on 50 acres.

ABOUT THE DEPARTMENT

The department is established in 1995 and since gained reputation in the field of Chemical Engineering education in the state of AP. The department has good infrastructure with well equipped labs. The department was accredited twice, once in 2004 and again in 2008, by the AICTE. The department conducts technical events regularly under the aegis of IChE, Students' Chapter. This chapter has bagged the best students chapter award in the year 2002, from IChE, Kolkatta. The department boasts of getting record placements every year

ABOUT THE SYMPOSIUM

This event, which is conducted on a national level, serves as a platform to the chemical engineering and allied discipline students to present their work and interact with peer community. Chemical Engineering field is envisaging tremendous technology upgrades in different sectors. This event is mooted to throw light on such technologies through paper presentation, poster presentation, panel discussions, invited lectures, technical quizzes and such other events.
